San Felipe Marina Hotel and Spa

This is the host hotel and the location for the race registration, check-in and skills testing. This is a nice facility located south of San Felipe. There are a limited number of rooms being held for our group so make sure you mention the Baja Travesia when making your reservation. It's a little pricey, but quite nice and roomy. Nice pool on the beach and a private, sandy beach for guests. A very good option if you are bringing family or kids.

Hotel Costa Azul

Last year's "favorite." This hotel is big and located right downtown San Felipe. It's definitely hotel "mexican style." Don't expect a lot and you'll be happy. Many competitors stayed here last year and it's clean and comfortable. Definitely a good location.
